DECLARATION ESTABLISHING STATUS AS SMALL ENTITY

Each of the undersigned inventor(s) of the invention disclosed and claimed in the above-captioned application declares as follows:

I am an independent inventor. I have not assigned, granted, conveyed or licensed any rights in the invention to any person who could not likewise be classified as an independent inventor if that person had made the invention, or to any concern which would not qualify as a small business concern or a non-profit organization under 37 CFR 1.9; nor am I under any obligation under contract or law to assign, grant, convey or license any rights in the invention to any such person who would not likewise qualify as an independent inventor, a small business concern or a non-profit organization under 37 CFR 1.9.

All statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements, and the like so made, are punishable by fine, or imprisonment, or both, under 18 USC 1001, and may jeopardize the validity of the application, or any patent which may issue thereupon.
